

Product Download Links

The download links are contained in the email you should have received from us.

Card Payment

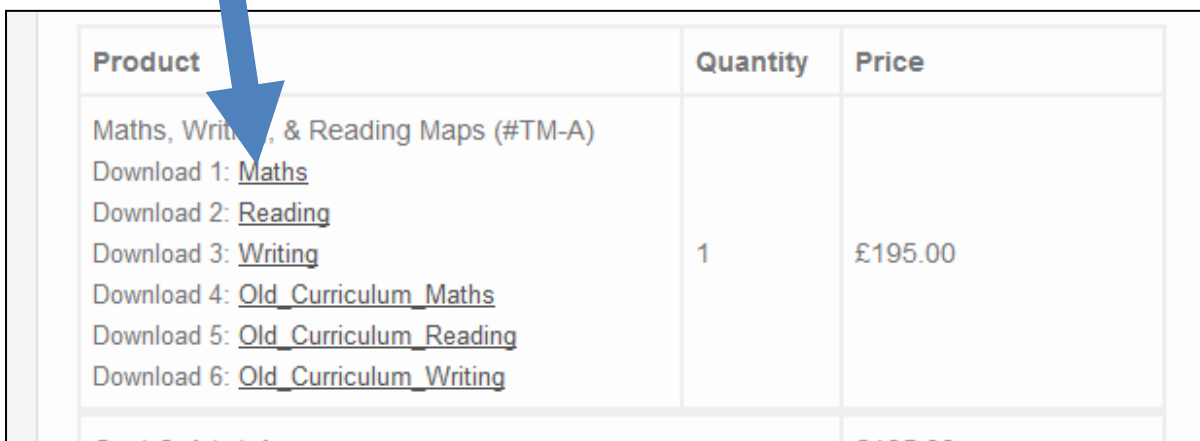

If you paid by card, they will be in the first email you receive immediately after payment.

BACS or cheque payment

If you opted to pay via invoice with a school purchase number, the download links will not be included in the first order confirmation email. We make checks to ensure you are ordering for a UK school before sending an invoice email with the download links. We aim to do this the same day. It usually takes a couple of hours.
